Fold Plastic bag over the top of the hat
Place in assigned cubby in the hat and shoe cabinet.

Shoe Storage

Place shoes in bag with students name on it.
Place shoes in assigned cubby in the hat and show cabinet.

Students are assigned a number, which corresponds with their garment bag, shoe and hat storage area.

Points will be docked for an improperly hung uniform.

***When dressing we strongly encourage the students to tie their shoes prior to pulling their pants up as some uniforms do not allow that bending motion. ***

Students are responsible for letting Miss. Ginny know if their uniform is dirty so that it may be cleaned before the next review.

**REQUIRED MARCHING GEAR: Snug Fitting Black Shorts,
Snug Normal Sleeved White T-Shirt (No Logos)
Black Ankle Length Socks**

WE STRONGLY SUGGEST SNUG FITTING SHORTS AND TOPS TO PREVENT CHAFFING. SPANDEX AND UNDER ARMOR WORK WONDERFULLY.
