

CORPORATE SPONSORSHIP PROGRAM

Granada High School Music Department corporate sponsorship is integral to the financial well-being of the budget supporting the opportunities that can be afforded for participating students in any given year. Corporate sponsorship contributions go directly into the GHS Music Booster's general fund. This fund either supplements or pays entirely for items including performance instructor compensation, equipment purchase, maintenance costs, transportation expenses, insurance, competition/registration fees, printing and so much more.

The GHS Music Corporate Sponsorship Program offers five levels of participation which can be found on the attached page. Each level is based on the amount of contribution and offers varying exposure and amenities. Some of the exposure opportunities a corporate sponsor might receive are as follows:

- **Performance Recognition**—Granada Band, Jazz Band and Orchestra will display your name at each concert or band function with a banner of appreciation.
- **Music Website**—The Granada Music Website is the heart of the communication within the program and is a vital source for anyone who wishes to know more about the program.
- **Band T-Shirts**—The Director, each student, and most parents have a T-shirt that is worn at all band events and throughout the year. Corporate sponsors in this sponsorship category and above are listed on these shirts providing immense community exposure.
- **Other Events**--- The GHS music program participates in many different types of venues throughout the year including school sporting events, school activities, community parades, various fund raising events, Special Olympics and much more. These events attract hundreds to thousands of people and your business will be highlighted through banners, bulletins and /or t-shirts.
