Budget and Fair Share Memo

Fall 2022

Granada Music Parents is a volunteer organization composed of current GHS music student parents. Using fair share and fundraising dollars, we work with Mr. Pascoe to run a comprehensive high school music program that includes marching band, jazz band, orchestra, choir, color guard, L-pattern, and percussion concerts and competitions. We rely on financial contributions from parents, employer matching programs, and fundraising to cover all orchestra and choir concert venue and accompanist fees, instrument repair and maintenance, purchase of new inventory, uniforms and accessories, uniform cleaning, percussion and color guard coaching and equipment, transportation, entry fees, and truck rental. The Granada High School music program is one that offers performance and enrichment opportunities beyond the classroom and one with a rich and varied tradition. It is a program with a tremendous reputation for excellence and success, which would not be possible without your financial support.
